

DULLES COMPROMISE ON ARMS ACCEPTED

Czechs Free Two Americans Held 15 Days

Army Forbids Any Questioning Until Conference Monday

WAIIDHAUS, Germany (AP)—Two U. S. Army men seized by Communist Czechoslovakia Sept. 17 at the German-Czech border were freed here today.

The two are 1st Lt. Richard Dries, St. Albans, Queens, N. Y., and Pfc. George Pisk, Austin, Tex. The Americans crossed a small stone bridge to freedom at 11:17 a. m. Their Czech captors handed them over to German border police.

The Army said the two soldiers would appear at a press conference in Nurnberg Monday.

They were picked up by Czech border guards near Eslarn, Bavaria, in the West Zone of Germany, and accused by Prague of espionage.

The U. S. Army said the men were on a "routine" mission in the border area when they were taken.

A third man who was with them escaped and reported the capture. Held 15 Days

The U. S. Embassy in Prague had sent a note to the Czech government demanding the release of Dries and Pisk.

In turn, the Czech Foreign Office sent a note to Washington claiming that the men had taken pictures, used binoculars and made notes and drawings along the border under orders to spy on Czechoslovakia.

After holding the two men for 15 days, the Czechoslovaks agreed Friday to release them at this border crossing point today.

Many of the 2,500 inhabitants of this border town were out to greet the Americans when they came back. They were strung out along the road that leads to the barbed wire fence which marks the frontier.

The two prisoners arrived at the border point shortly after 11 a. m. in a two-car Czech convoy. They were taken into the Czech border control house. German border official Karl Wenzel, who was standing on the bridge with a Czech official, went to the Czech guard-house.

Appear in Good Shape

A few minutes later, they emerged with the two men, and they were greeted by two U. S. Army captains. One was an intelligence officer from Nurnberg. He stood waiting with carbine in hand. The other captain was in field uniform, complete with helmet and pistol.

Both Dries and Pisk appeared somewhat pale but otherwise looked in good shape. Their pants were neatly pressed and both had recent haircuts. Dries was in civilian clothes and Pisk in uniform, just as they were clad when captured two weeks ago.

Dries appeared confident and at ease, while Pisk was nervous. He chain-smoked as they crossed the gray, misty border.

After greeting the two captains, Dries started to talk. But his superiors cut him off and said, "Let's go to the car and get out of here."

Newsmen covering the release were told not to question the two men pending Monday's press conference.

Indict 4 More Labor Leaders

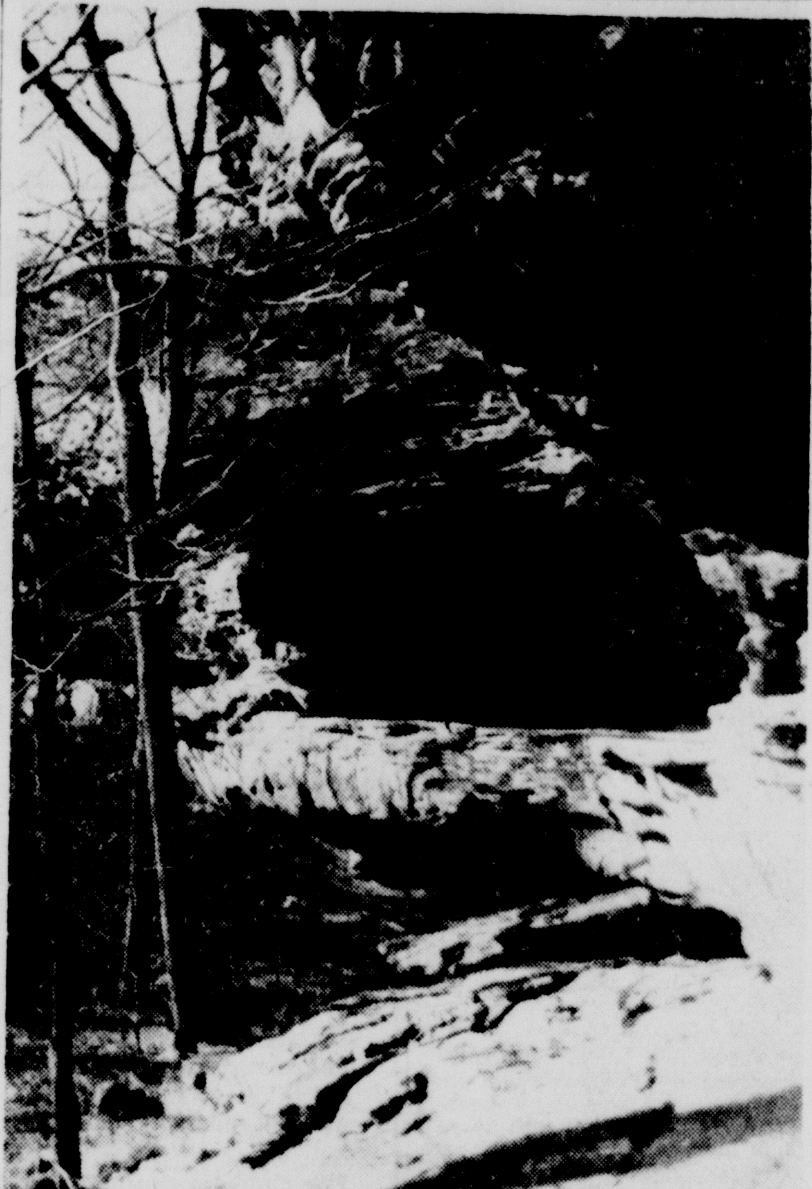

EAST ST. LOUIS (AP)—A federal grand jury here Friday returned four more labor racketeering indictments against five individuals. One of the indictments named Orell B. Soucie and Henry H. Highfill, both of Terre Haute, Ind., and representatives of the AFL Operating Engineers Union.

The other three indictments were ordered suppressed by federal Judge Fred L. Wham until the defendants are taken into custody. Soucie and Highfill were charged in the two count indictment with extorting \$2,500 from the Howell Asphalt Corp., Mattoon, Ill., on highway paving jobs at Winsor and Sullivan, Ill.

Both men previously have been named in similar indictments. The jury, which was impaneled last November, was scheduled to be dismissed Friday. However, at the request of U. S. Attorney Clifford M. Raemer, Wham extended the jury tenure to a full 18 months.

TOUR SPOT is this scenic view of Two-Story Shelter Bluff northeast of Cobden, which will be one of the sites visited tomorrow on the first of the auto tours of the Illinois Ozarks planned by guides William H. Farley of Harrisburg and Wayman Presley of Makanda. The above spot was visited on this year's Ozark Tour. Tomorrow's tour will leave from the Illinois Central parking lot at Carbondale at 9 a. m. Places to be visited include Panther Den hollow, one of the midwest's prettiest rock formations which is practically unknown, fossil beds, Kerr Bluff, Rock House, prehistoric Indian bluff homes and hidden stone "buffalo trap." Lunch will be at Water Valley church and the tour will end at Cobden at 3 p. m. The tours are open to the public without charge but all are requested to bring their own lunches and drinking water. Besides these five tours, Southern Illinois, Inc., and Greater Egypt association is sponsoring a tour starting at Carbondale Friday, Oct. 15 and continuing until 6 p. m. Sunday for \$12.50.

OIL REPORT:

Two Oil Well Producers Completed In County; Two Tests Abandoned

By JERRY ROBERTSON
Tri-State Oil Reporter

There were four oil completions in Saline county during the week ending Sept. 30, with two of them producing and the other two dry and abandoned. Producers were the Marshall M. Endicott No. 1 in Section 2 of Eldorado township and the Bobbie Gene Wilson No. 1 in Section 17, also Eldorado township.

Dry and abandoned were the Bona No. 1 in Section 23 of Brushy township and the William Crawford Communitized No. 1 in Section 13 of Eldorado township.

The completions: The Spire's, Calvert, W. Duncan et al Marshall M. Endicott No. 1, also a wildcard, in the NW corner of the SW quarter of the SE quarter of Section 2, 8S-7E, which is Eldorado township, struck oil in the Waltersburg sand at 2117-22 feet. Initial production was 56 barrels a day on pump following a shot of 25 quarts of nitro.

Carter Oil Company's William Crawford Communitized No. 1 in the SW corner of the SW quarter of the SE quarter of Section 13 8S-7E, was dry and abandoned at a total depth of 2560.

Ashtand Oil and Refining Company's Bobbie Gene Wilson No. 1 in the NE corner of the SW quarter of the NW quarter of Section 17 8S-7E made an oil well in the McClosky lime at 2982-87. Initial production was 35 barrels of oil and 18 barrels of water per day on pump.

Other oil activity in Saline county:

Breuer-Robinson's Dewey Turner No. 1 in the SW corner of the NE quarter of the SE quarter of Section 35 7S-6E (Long Branch township) and its Dewey Turner No. 2 in the NW corner of the NE quarter of the SE quarter of the same section have been located for drilling.

Breuer-Robinson's Woolard-Irvin Communitized No. 2 in Section 35 7S-6E is testing the cypress at 2543-55 and the Aux Vases at 2895-2918 with a total depth of 2929.

Breuer-Robinson's Woolard Heirs No. 3 in the NE corner of the SW quarter of the SE quarter of Section 35 7S-7E was rigging up cable tools to test the cypress at 2528-47, at a total depth of 2982.

Breuer-Robinson's Woolard Heirs et al Communitized No. 3 in the NW corner of the SE quarter of the SE quarter in Section 35 7S-6E was drilling at 2313.

Ashtand Oil and Refining company's Victor Suttner No. 4 in the SW corner of the SE quarter of the SE quarter of Section 7 8S-7E was drilling at 2733.

Located for drilling was J. M. Roberts' J. H. Butler No. 1 in the NW corner of the SE quarter of the SW quarter of Section 17 8S-7E.

The John Stelle Associates' J. Seagraves Communitized Unit No. 1 in the SE corner of the SE quarter of the SW quarter of Section 20 8S-7E was cleaning out and testing the Renault lime at 2846-72 with a total depth of 2879.

Located for drilling was Stelle's Seagraves Communitized No. 2 in the SE corner of the SE quarter of the SW quarter of Section 29 8S-7E.

The Magnolia Petroleum company's Cecil Simpson No. 1 in the SE corner of the NW quarter of the NE quarter was cleaning out to perforate the Aux Vases lime at 2869-75 after drilling to a total depth of 2902. It was plugged back to 2883 feet.

Dr. Tuttle Explains Blood Program in Address at HTHS

Dr. Warren Tuttle stressed the importance of the bloodmobile and the need for blood donors in a brief talk yesterday morning to the student body and faculty at the Harrisburg Township high school.

To qualify, he said, one must be 18 years of age and have the written consent of parents.

The Red Cross blood bank is supported by the hospitals in this area and the Saline County Medical society, he stated, and should be supported by the people of the community since they are the ones who benefit from it. Harrisburg in the past month 30 blood transfusions have been given, and in the past year 25 were given to patients under 21, he reported.

The blood bank is a necessity in an emergency such as an automobile accident or for surgery on older folks, he continued, since "there is no other replacement for blood except blood."

"When you give blood, you may be saving your life, your brother's or sister's, or your father's or mother's life, and you'll never regret it," he concluded.

Run by Fire Department

The fire department made a run at 7:15 a. m. today to Abbey's barbecue on West Poplar street. Meat catching fire in the barbecue pit caused slight damage to a window facing, firemen reported.

Thompsonville Man Awarded \$99,500 For Loss of Leg

CHICAGO (AP)—John M. Summers, 48, Thompsonville, Ill., railroad employe who lost his left leg in a train accident, was awarded a \$99,500 out of court settlement Friday.

Summers, a switchman for the Chicago & Eastern Illinois Railroad Co., was injured in January, 1953, at West Frankfort while uncoupling a freight car. He charged the railroad with negligence. The settlement was approved by circuit judge Cornelius Harrington.

GOP Loses First Round of Nevada Senate Battle

CARSON CITY, Nev. (AP)—Nevada Republican leaders said today they would go into District Court next week to permit the state's GOP governor to appoint a full term successor to the late Democratic Sen. Pat McCarran.

The Republican plan was announced after the Nevada Supreme Court refused to issue a mandate to eliminate both Democratic and Republican candidates from the November general election ballot.

Reno attorney Lester Summerfield, representing the Republican leaders, promised he would "battle all the way" on the issue. He said he probably would take the case into District Court on Monday.

Nevada's election law fails to make clear whether Republican Gov. Charles Russell has the legal right to appoint a successor to McCarran for the remainder of his elected term or whether the matter must be decided by the voters.

State Atty. Gen. William Mathews ruled Friday that a successor must be named by the voters in the Nov. 2 election.

Both parties named candidates for the U. S. Senate seat following Mathews' ruling. The Republican State Central Committee named Ernest S. Brown, a 51-year-old "independent" Republican. The governor promptly appointed him to fill McCarran's Senate seat until Jan. 3, 1955.

The Democratic State Central Committee chose as its candidate Alan Bible, 54-year-old former state attorney general and a longtime McCarran protege.

GOP leaders took their case to the Nevada Supreme Court late Friday. They asked for a writ of mandate which would have kept the names of both candidates off the ballot and insured an appointment of a Republican successor to McCarran for the remainder of his term.

John R. Jackson Named Ag Census Crew Leader

Appointment of John R. Jackson of Harrisburg as a crew leader for the 1954 Census of Agriculture was announced today by Field Supervisor Linus F. Kiefer, Mt. Vernon, Ill.

Mr. Jackson will direct a force of enumerators who will canvass all farms in Saline and Gallatin counties, he reports on Oct. 4 to the census agriculture field office at Mt. Vernon for a week of training.

The crew leader is one of the key people in the field operations of the Census of Agriculture. It is his responsibility to train the enumerators and supervise their work; plan and allocate work assignments; review the work of the enumerators and take remedial action where necessary, and to conduct difficult enumerations.

After attending the training conference, Mr. Jackson will return to this district where he will spend three weeks recruiting enumerators, checking enumeration district boundaries, and training enumerators in preparation for the start of the census on Nov. 3, 1954.

Funeral Services at McLeansboro Sunday For Judge Hogan

Funeral services for Judge George W. Hogan Jr., who died yesterday morning at his home in McLeansboro, will be Sunday at 2 p. m. at the McLeansboro First Methodist church where he was a member.

Deputy Sheriff Henry Devar yesterday took Chester Golliber to the state penitentiary at Menard where Golliber will serve a term of one to five years for stealing corn.

Boy, 12, Seized In Gun Battle With 12 Police

Chief Says He Just Couldn't Kill Psychopathic Youth

COLORADO SPRINGS, Colo. (AP)—A quiet-spoken police chief said today he chose to endanger the lives of 12 policemen and a crowd of more than 500 onlookers because he couldn't bear to kill a psychopathic 12-year old boy who sprayed them with bullets during a fiery, 90-minute gun battle.

"We had a high-powered rifle and could have picked him off at any time," said the chief, Earl Sullivan. "But I was on a spot."

"If someone had been killed after I ordered the officers not to shoot the boy, I'd really been in trouble. Yet if we had just gone ahead and shot him I'd really been in trouble too."

The boy, Travis Wisenberg, at 12 already a "hopeless" parolee from the State Industrial School, squatted in the brush on a hillside in suburban Manitou Springs for an hour and a half Friday and pumped 49 bullets at the police and crowd of onlookers.

"I hate cops," he screamed. "You'll never take me alive."

But an officer tricked him into revealing he had only 17 shots left and after the last one was fired, Sgt. Harold Davis rushed up the shallow hillside and captured the boy.

Sullivan said the boy, son by a former marriage of Mrs. Lova Chavez of Manitou Springs, was well known locally as a burglar and car thief.

Sullivan said the boy stole the .32 caliber pistol and ammunition he used in Friday's wild foray from a sporting goods store several years ago and hid them.

He was wearing the pistol in a holster when Patrolman Tony Harstie stopped him on the street Friday and questioned him about a reported car theft.

Without answering, the boy dropped to one knee, whipped out the pistol and fired. Harstie scrambled for cover and called for help while the youngster fled to the hillside.

On the way to jail, the boy alternately wept and screamed. "I'm always on the losing side," he complained, and talked about being "sent up."

Burglars Loot Ridgway Tavern

Roy's Inn, operated by Roy Gossett at Ridgway, was looted of between \$800 and \$900 worth of liquor early today, Mr. Gossett reported.

This is the third tavern burglary in Gallatin county this week, the thieves operating on alternate nights. Monday night Blackie Butler's tavern in Old Shawneetown was burglarized and Wednesday night burglars paid a visit to Earl Love's tavern, also in Old Shawneetown.

Taken early today at Gossett's place were 87 fifths, 100 pints and 70 half-pints of whisky, ten half cartons of beer, 15 cartons of cigarettes and about \$45 in silver.

GOP Demands Mitchell Apologize for Branding V-President Nixon 'Liar'

WASHINGTON (AP)—Democratic National Chairman Stephen A. Mitchell planned to reply today to a Republican demand that he apologize publicly for branding Vice President Richard M. Nixon a "liar."

Mitchell, who is in Puerto Rico, was expected to issue his answer through the Democratic National Committee here.

GOP National Chairman Leonard W. Hall said in a statement Friday night that unless Mitchell withdraws the "liar" charge he should "remove his signature" for a "fair play" campaign pledge that the two party chairmen have signed. Hall also criticized Sen. Olin D. Johnston (D-SC) for accusing Nixon of spearheading a GOP "big lie" campaign.

Hall's attack grew out of Mitchell's charge on a nationwide television program last Sunday that Nixon lied about the Eisenhower administration's record of removing Communists from government.

Johnston stands pat. Johnston, who fired his charge at Nixon in a speech at Tallahassee, Fla., Thursday, refused to back down. He said the vice president "told a deliberate falsehood and I can prove it."

He also said Hall "again tried to mislead the American people" by trying to "soften" Nixon's original statement. Johnston said Hall's statement implied the administration had fired 383 persons "with subversive connections or tendencies."

"Mr. Hall knows or should take the time to find out from the sworn testimony before my Senate Civil Service Committee that they could not name one single Communist who had been fired from government service," Johnston declared.

Mitchell and Johnston ripped into Nixon after he was quoted by a wire service (not the United Press) as saying the administration has "kicked the Communists out of government, not by the hundreds, but by the thousands."

The wire service later corrected its story on the basis of a recording of Nixon's speech, made at Hhrn, S. D. It showed Nixon actually said the administration is

Delinquent Tax List Shows Most Taxes Were Paid

The annual delinquent tax list for Saline county was published in county newspapers yesterday by Paul Hilliard, county treasurer and collector, as is required by law.

Application for judgment will be made to the County court on October 12, and the sale will be held on October 18. A group of lands and lots on which taxes have been delinquent for 10 years or more was included in the list.

The 10-year list will be sold to the highest bidder, and possession is immediate. On the ordinary delinquent list, the tax buyer must hold the property for three years before receiving title, and during the period, the owner may redeem the property by paying costs and interest.

The Daily Register published the list for Harrisburg, Brushy, Independence, Mountain, Stonefort, Cottage and Galatia townships, and the list compares favorably with the same list published last year, indicating a high percentage of taxes were paid. The list is slightly larger this year, but much of the increase is due to failure of owners to pay taxes on coal lands which are partially worked out or are in areas where mines have been abandoned.

Concession by Adenauer Allays French Fears

Conference Returns To Optimism After Snag Friday Night

LONDON (AP)—A "solution has been found" on the deadlocked arms control issue at the nine-power conference on German rearmament, it was announced today.

Belgian Foreign minister Paul-Henri Spaak announced agreement on his plan based on compromise proposals offered by American Secretary of State John Foster Dulles in a bid to save the conference.

Spaak credited West German Chancellor Konrad Adenauer with making an important concession to allay French fears over German rearmament.

The conference once again returned to the optimistic atmosphere that marked it before French Premier Mendes-France's demands caused a snag Friday night.

Spaak tossed in a proposal today suggesting the deadlock over the arms control issue be solved with an agreement among the continental members of the Brussels pact not to make atomic, biological or chemical weapons unless specifically authorized by the treaty organization.

He also proposed that they agree to manufacture weapons only to fill their own needs.

Some of the ministers were reported opposed to this outright ban on production of the "ABC" weapons in all Europe.

Then Adenauer made his big concession, conference sources reported. He promised that Germany would voluntarily accept a ban on the production of the "ABC" and heavy weapons within its borders. This was what France wanted in the first place.

Dulles had proposed that the German ban on the production of the "ABC weapons" be made effective for two years.

Dulles' compromise also suggested that a rearmied, free Germany be permitted only to produce only enough other armaments to equip 12 divisions. The "sensitive" weapons proposal would also ban Germany from importing such armaments.

Dulles' compromise on rearmament controls was an attempt to break a conference deadlock caused by Mendes-France's demand that his arms pool plan be adopted.

The American secretary had planned to leave London today to return to Washington. But following the morning conference session an aide said: "I do not see how the secretary of state can leave tonight."

French conference sources said that Mendes-France liked the American proposal and would compromise to save the conference.

The "sensitive" weapons were defined in the European Defense Community treaty, killed by the French Assembly, as atomic, biological and chemical armaments.

The proposal made by Dulles included the following:

1. That the Brussels pact powers agree in principle to establish an agency to rationalize and control, on a non-discriminatory basis, the manufacture of armaments by its members on the continent of Europe. This is Mendes-France's arms pool plan.

2. The plan should be adopted by a two-thirds vote of the Brussels pact council.

3. The German Federal Republic should make a two-year commitment, or a commitment until the Brussels Treaty agency is established, if that is earlier:

A. Not to manufacture, import, or export the so-called "sensitive" weapons. These weapons were defined in the EDC Treaty as atomic, biological and chemical.

B. To limit the manufacture of other armaments to that required to equip 12 divisions, taking into account the military equipment that is provided by the United States.

The North Atlantic Treaty Organization supreme commander (now U. S. Gen. Alfred M. Gruenther) would decide what arms Germany needs for its forces under Dulles' plan.

The United States has said it is prepared to supply extensive military equipment, including heavy weapons, to Germany.

Items of Agricultural Interest

SUBBING FOR MOM—Curtis G. Hall, of Tolono, Ill., shows how
five pigs had to be fed after their mother refused to have anything to
do with them. There are five baby bottles full of milk inside the wood-
en case, called "Mama" by the farmer.

Remodel Crib For Shelled Corn Storage

URBANA—If you have decided
to change from ear corn storage to
handling shelled corn, you can
double the capacity of your present
corn cribs by remodeling them to
store shelled corn.

J. O. Curtis, agricultural engineer
at the University of Illinois Col-
lege of Agriculture, says that if
you need more storage space on
your farm for corn and small grain,
being able to remodel your crib
might be one factor that would
make you decide to change from an
ear corn system to handling shelled
corn.

First big problem to solve is
making the structure weather-
tight, Curtis says. Instead of spaced
cribbing, as is needed for space
ear corn storage, you'll need to
build a solid wall to keep out wind
and rain.

Next you'll have to make crib
strong enough to hold shelled corn
or small grain. Outward pressure
on the side walls is about three
times as great with shelled corn as
it is with ear corn, the engineer
points out.

For added strength, Curtis sug-
gests an outside waling strip 6
feet off the ground made of 6x6s.
He also recommends 7-8 inch tie
rods spaced four feet apart across
the crib from one waling strip to
the other. If your crib wasn't
well built originally, you may have
to add more studs to strengthen
the walls.

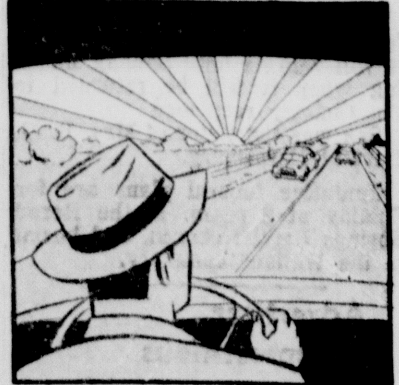

Be sure to check the cost of re-
modeling. If it is going to cost
more than 35 to 40 cents a bushel
of capacity to remodel, you might
do better to build new bins.

Tips on Traffic Safety

By
CHARLES F. CARPENTIER
Secretary of State

This is the time of year when
the number of daylight hours de-
creases rapidly. Daylight savings
time has ended and twilight will
arrive a little earlier each day.

This is an important point to keep
in mind when you are planning to
be on the streets or highways in

the late afternoon and early eve-
ning, because twilight is the most
dangerous time of day. Statistics
show that the greatest number of
accidents occur then.

Traffic is heavy at that time,
drivers are tired after the day's
work and your field of vision rap-
idly gets smaller. Be prepared to
slow up sooner, allow more time
to complete your trip. Your chances
of staying out of trouble will be
much better.

A copy of the completely new
"Rules of the Road" booklet will
be sent to you free upon request.

TIER, Secretary of State, Spring-
field, Illinois.

Farm Forestry Field Day On October 13

Farm woodland owners are espe-
cially invited to attend the Farm
Forestry Field Day on Wednesday,
Oct. 13, at the Kaskaskia Experi-
mental Forest in Hardin county.

Forestry specialists from all sec-
tions of the state will be on hand
to demonstrate tree growth and
value and log and lumber grades.
Ideas presented at the show aim
toward helping you get more in-
come with less labor from your
farm woodland.

R. D. Lane, forester in charge
of the Kaskaskia forest, will lead
visitors on a tour of managed and
unmanaged woodland plots. There
you will be able to see how much
difference the right care can make
in supplying useful and valuable
timber on your own farm. On the
tour Ray Coleman, Jonesboro saw-
mill operator, will discuss log and
timber values.

One new labor-saving device for
farm woodlands is a mechanical
tree girdler to kill undesirable
trees. W. W. May, forestry agent
for the Illinois Central railroad,
will demonstrate the machine.

Others on the program include
L. S. Minckler and D. E. Herrick,
U. S. Forest Service; Ernest Kunze,
district forester, and E. E. Nunt-
ida, state forester, Illinois Division
of Forestry; Ray Hunter, Illinois
Agricultural Association; and Robert
Nelson, extension forester, Illi-
nois College of Agriculture.

Field day headquarters will be
marked by road signs east off High-
way 34 between Harrisburg and
Elizabethton. The program is
due to start at 9:30 a. m.

55 Per Cent of Soybean Crop in Illinois Harvested

SPRINGFIELD (UP)—More
than half of the Illinois soybean
crop has been harvested and yields
are better than expected, the State
Federal Crop Reporting Service
said today.

The weekly crop bulletin report-
ed 55 per cent of the beans have
been combined, compared with
about 65 last year at this time and
an average of 35 per cent. Most
of the progress in combining was
in the main bean belt across cen-
tral Illinois, the bulletin said.

Ninety-five per cent of the Illi-
nois corn was reported mature.
The report said corn is drying
rapidly but most of it still contains
too much moisture for cribbing.

Feeder Calf Sale Thursday, October 7

The Annual Dixon Springs Ex-
periment Station Feeder Calf sale
will be held Thursday, October 7,
starting at 12 o'clock in the Barn
at Robbs, Illinois.

This year around 1500 yearling
steers and heifers, chiefly Here-
fords, with some Angus, will be
offered for sale to the highest
bidder.

This sale attracts buyers from
all over Illinois and surrounding
states and offers a chance to
farmers to buy feeder steers of
the finest quality, since all animals
are graded before being accepted
for the sale.

Total egg production in Illinois
has remained about the same dur-
ing the past few years in spite of
a decrease in number of hens.
Production has been kept up large-
ly through the use of improved
breeding, feeding and management
practices.

GET A LADDER—A 12-foot to-
mato plant is tended by Lee El-
ledge, greenhouse superintendent

a natural climber, but got its height
when all side shoots were pinched
off, confining growth to the stem.

Take Your Time Picking Corn-- And Live . . .

URBANA—With corn picking
getting under way earlier than us-
ual this year, there's no excuse for
inviting accidents by hurrying and
taking chances.

Wendell Bowers, University of
Illinois agricultural engineer, says
most corn picker accidents can be
traced directly to taking a chance.
Because he's taken a chance before
and escaped unharmed, the opera-
tor may think he can beat the
odds indefinitely. But if he
keeps on taking risks, some day
he'll pay the price.

That's what happened to about
two hundred Illinois farmers dur-
ing the 1953 picking season.

Taking a chance so that you'll be
able to pick another load or fin-
ish the field before dark can be
costly. To make it even more dan-
gerous, you usually take the most
chances when you're tired and
don't react so quickly.

When you're thinking about
cleaning the picker without stop-
ping it, ask yourself this question:
Will the minute or so that's saved
pay for a finger or hand that may
be lost? Take it easy, says Bow-
ers, and you'll live longer.

Wheat Allotments Still in Effect For the 1955 Crop

Raymond Alvey, chairman of the
Saline County ASC committee,
states today that several farmers
have the mistaken idea that wheat
allotments and marketing quotas
have been removed.

He states this is not true as
there still are wheat allotments
and marketing quotas for the 1955
crop. Farmers who have less than
the 15 acre allotment may sow up
to 15 acres without a penalty, but
he will not be eligible for price
support. Farmers who have allot-
ments of more than 15 acres must
plan within their allotments to
avoid penalty.

If farmers have any questions
about the wheat allotments they
are asked to call at the local ASC
office, City Hall, Harrisburg.

Illinois farm income for the first
part of 1954 was about 7 per cent
higher than for the same period
in 1953, says a University of Illi-
nois agricultural economist.

Fertilize and Lime Your Lawn This Fall

Give your lawn a fresh supply
of plant food for next spring by
putting on about 20 pounds of a
fertilizer with a 10-8-6 or similar
analysis to each 1,000 square feet
this fall.

H. R. Kemmerer, extension land-
scape specialist at the University
of Illinois College of Agriculture,
also suggests that you test your
lawn soil to find out how much
lime you need to put on to sweeten
the ground.

If you have to wait too long to
have a test made, Kemmerer says
to go ahead and put on 50 pounds
of hydrated lime or 75 pounds of
ground limestone for each 1,000
square feet of lawn area. Then
you can test to see whether more
is needed next spring.

Grub-proof the lawn with 10
pounds of lead arsenate or one-
fourth pound of actual chlordane
to each 1,000 square feet. If you
kill grubs and other soil insects,
you won't have any trouble with
moles.

Rake the lawn, smooth it and
fill in low spots, if you wish, with
fine topsoil. Then seed a recom-
mended grass mixture adapted to
your soil and location. Roll after
seeding to firm the soil and help
the seeding get a start. Then wa-
ter right away and once a day in
dry soil for two weeks after the
seed germinates.

If oats and wheat are cheap
enough after harvest time, it will
pay you to use them for part of
the corn in hog rations.

Keep Guns Away From Children

URBANA—Even if you believe
that all the guns in your house
are unloaded, it's a good idea to
keep them away from children,
says University of Illinois safety
specialist Gordon McCleary.

The worth of this advice was
proved recently when a 12-year-
old McHenry county boy shot and
killed himself while playing with
a .22 caliber rifle. The victim and
his brother, aged 15, thought the
weapon was not loaded. Both par-
ents were gone when the accident
occurred.

It's a good idea to keep ammu-
nition away from youngsters, too,
in or out of a gun, cartridges and
shells are dangerous.

A gun cabinet with a locked
door is the safest place for guns,
McCleary says. If you must have
a gun handy for rodents or pro-
tection, then keep it out of sight
and reach of youngsters.

"HONEY OF A MELON"

The Minnesota Experiment Sta-
tion is introducing a high quality,
disease-resistant muskmelon tag-
ged Minnesota Honey. It has a
small seed cavity, thick orange
flesh and a sweet, mild flavor, re-
ports Capper's Farmer. Fruits av-
erage 7 pounds. It is okay for
home and market gardens; seed is
available now.

TO ADVERTISERS

ADVERTISING IS NEWS, TOO!

People buy this newspaper for news of the world, the
country and our community in particular. Our readers
are also interested in news about food, clothes,
entertainment, automobiles, furniture and all of the
necessities and luxuries that have to do with daily living.

Through advertising in this paper you can give our
readers the up-to-date news about your merchandise
and services. Each one of your advertisements can be
a newspaper within a newspaper.

Of course you should know all about the circulation of
the newspaper that is carrying the news of your
business. How many people buy the paper? Where
are they located? How was the circulation obtained?
To give you this information and many other facts
that you need and have a right to know when you
buy advertising space, this newspaper is a member
of the Audit Bureau of Circulations.

Established in 1914, the Bureau is a cooperative,
nonprofit association of 3,575 advertisers, advertising
agencies and publishers. Its purpose is to furnish
advertisers with verified reports on the circulation of
its publisher members.

At regular intervals one of the Bureau's
large staff of experienced auditors makes a
thorough inspection and audit of our cir-
culation records, just as the bank examiner
makes a check of your bank's records. The
information thus obtained is published in
official A.B.C. reports. When you buy space
in this newspaper our A.B.C. report tells
you just what, in circulation values, you get
for your advertising investment.

This newspaper is a member of the
Audit Bureau of Circulations.
Advertisers are invited to ask
for a copy of our latest A.B.C. report.

Notice To Voters

You must be properly registered to vote. All voters who have never registered, those that have moved to another precinct, or changed their address, will have until October 4th to register, and until October 5th to change their address.

THIS CAN BE DONE AT THE COUNTY CLERK'S OFFICE, OR BY EITHER PRECINCT COMMITTEEMAN OF EITHER PARTY.

The same applies to voters who will become 21 years of age on or before November 2, 1954.

This is an election year in which it is important that every voter cast a vote, and it is important to you to know that you are registered properly as a voter.

The County Clerk's office has mailed a registration card showing the precinct and address of each voter. If a voter does not receive one of the new registration cards, there is something wrong with his or her registration; namely, the voter is not registered, or has moved and has not changed registration, or there is an error in the registration. We are anxious that every voter's registration be in order and we will be ready at all times to help correct registrations.

Some transfers of registration have been made since the new cards were made up, and it is thus possible that some of you may get two cards. Please check for the correct card.

REMEMBER: YOU MUST BE PROPERLY REGISTERED TO VOTE!

Don B. Garrison
COUNTY CLERK.

First Baptist Euzelian Class Holds Progressive Dinner

The Euzelian class of the First Baptist church held a progressive dinner Tuesday evening for its regular meeting.

The class met at 6:30 p. m. at the home of Mrs. Kenneth Childers for an appetizer and from there went to the home of Mrs. John Slightom for a combined salad and main course dinner.

Mrs. John Foster, Mrs. Dick Carpenter, Mrs. Frank Cummins, Mrs. Earl Kilburn and Mrs. Charles Rauh were hostesses.

After a most delightful meal the class went to the home of Mrs. Charles Gee where a short business meeting was held and an installation of new officers for the coming year. Mrs. Joe Morman was in charge of the installation service and used the topic "Light" for the devotion.

Installed were Mrs. Frank Cummins, teacher; Mrs. Charles Rauh, president; Mrs. Earl Kilburn, vice president; Mrs. Tom Miller, secretary; Mrs. Kenneth Childers, treasurer; and three group captains, Mrs. Elmer Tellas, Mrs. Virgil Cline and Mrs. Rod Nash.

The class then joined hands and Mrs. Frank Cummins led in an impressive prayer.

With Mrs. Robert Feazel as assistant hostess, Mrs. Charles Gee served a delicious dessert to the following: Mrs. Helen Beam, Mrs. Dick Carpenter, Mrs. Kenneth Childers, Mrs. Virgil Cline, Mrs. John Foster, Mrs. Raymond Asbell, Mrs. R. C. Adams, Mrs. Wilton Hackett, Mrs. Bill Kilburn, Mrs. Tom Miller, Mrs. Rod Nash, Mrs. Charles Rauh, Mrs. Elmer Tellas, Mrs. O. L. Turner Jr., Mrs. Bud Hall, Mrs. Harry Wirth, Mrs. A. Franks Jr., Mrs. James Davis, Mrs. Joe Morman, Mrs. Ralph Woolard, Mrs. John Slightom, and Miss Frances Cummins.

Refreshments of sandwiches, soda pop and coffee were served in the church basement.

Present were: Lillie Stricklin, Floy Karnes, Mr. and Mrs. C. A. Hall, Beulah Bishop, Lula Cravens, Mr. and Mrs. George Tate, Louise Miller, Irene Neva and Johnnie Miller, Jesse Miller, Guy Karnes, Mary Elder, Mr. and Mrs. Roy Naugle, Ruth Bradshaw, Mr. and Mrs. C. C. Carline, Mr. and Mrs. Herbert Tate and children, Margaret and Billy, Mr. and Mrs. Tom Teague and Billy David, Mr. and Mrs. Oscar Cable, Mr. and Mrs. Robert Wiseman and family, Velma Farmer, Chesley Wiseman, Rev. and Mrs. Todd Taylor and children, Steve and Nancy; Elizabeth Rogers, Dwayne Rogers, Mr. and Mrs. Kenneth Whitlock and son, Kenny, Opal and Darlene Goodson, Mr. and Mrs. W. They received 118 thank-you letters along with other gifts and toys for the children.

As a token of remembrance Mr. Minner presented and installed a beautiful fluorescent light above the sink in the church kitchen.

A beautiful painting has been placed over the baptistry at the First Baptist church.

Mr. and Mrs. Byron Wallace and son, Larry, Miss Stella Reynolds, all of Harrisburg, accompanied by Opal and Darlene Goodson, attended church at Galatia Wednesday evening.

Those who visited Mr. and Mrs. Otto Henn Sunday were Rev. Volla Sittig and family, Mr. and Mrs. Ezra Galbraith and Mrs. Arthur Hill.

Mrs. Cordelia Martin, Mrs. Ida Brown and son, Hubie Elmer, were Sunday guests of Quincy Adams.

Several from Union Chapel have been attending the Ebenezer revival where Rev. Volla Sittig is preaching.

Mrs. Jessie Lund was Monday evening dinner guest of the John C. Small family.

Those from Saline county who attended the Homemakers Rest camp at West Frankfort 4-H camp Tuesday and Wednesday were Mesdames Mary Harper, Louise Gaskins, John C. Small and Walter Unsell. Four crafts, basketry, copper enameling, bead jewelry and block printing, were taught. The above mentioned Home Bureau members presented the skit which won first at the recreation hour Tuesday evening. Approximately 85 women from Salem to Cairo attended.

Mr. and Mrs. C. L. Travis Return From Trip to Northwest

Mr. and Mrs. C. L. Travis returned recently from a 17-day vacation in the Northwest where they visited friends and relatives in Colorado Springs, Colo., Orofino, Idaho, and Spokane, Wash.

After 6300 miles of traveling they returned via Minneapolis and Chicago where they visited relatives for a few days.

The Travises enjoyed visiting with former Harrisburg residents, Mr. and Mrs. A. F. Lentz, in Orofino. While there they enjoyed the three-day festivity known as "lumberjack days" (which is similar to our county fair).

This is held in the early fall after the lumberjacks have returned after spending the summer in the forest where most men are engaged in timber work of some kind. A parade is held and loads and loads of huge logs and lumber are auctioned off with the proceeds going to the expense of the affair such as prizes, etc.

The Lentzes send greetings to their friends here in the midwest.

Fulton Resigns as Illinois Supreme Court Justice

MORRISON, Ill. (AP) — William J. Fulton, 79, oldest of the justices of the Illinois Supreme Court, has resigned effective Nov. 1, and a special election is expected to be held to fill the vacancy on the state's highest judicial tribunal.

Fulton, of Sycamore, Ill., told the 29th annual meeting of the 6th District Federation of Local Bar Associations Friday that he was resigning because of illness in his family. He said his wife is suffering from a "bad heart."

Fulton, born in Lynedoch, Ont., Canada, has lived in the United States since he was five years old. He was educated at the University of Illinois and was admitted to the bar in 1901.

He was elected a circuit judge in 1923; an appellate court judge seven years later; and to the Supreme Court in 1942. He was chief justice in 1944-45, and was reelected to another nine-year term in 1952.

Five Navy Recruits Cited for Heroism For Saving Boy, 8

GREAT LAKES, Ill. (AP) — Five recruits at the Great Lakes Naval Training Center have been cited for heroism for saving a Chicago boy from drowning in Lake Michigan.

The recruits, three of them from St. Paul, Minn., received citations at a special ceremony Friday for saving Michael Stefanie, 8.

All five said they would return \$25 money orders given to each of them by the boy's father, Steve Stefanie.

The recruits are Andre Menard, 18, Ronald Opine, 17, and Lloyd Lagoon, 17, all of St. Paul; and Flynn Wood, 17, Mansfield, Ohio, and William Gusk, 17, Berkeley, Mo.

REA Officials Praise Probe of Dixon-Yates Contract

SPRINGFIELD (AP) — Rural Electrification officials from Iowa, Illinois and Missouri have praised a Senate committee's investigation of the Dixon-Yates case.

The officials, attending the district 5 meeting of the National Rural Electric Cooperative Association, adopted the resolution Friday.

The resolution endorsed the activity of the Langer committee in exposing monopoly and requested the U. S. Senate to provide the committee with funds with which to hold the necessary hearings.

South Korean Women Demonstrate Against Troop Withdrawals

SEOUL, Korea (AP) — Approximately 8,000 women demonstrators marched on the U. S. Embassy to demand the halting of American troop withdrawals from Korea.

The women were members of the Korean Women's Association. Some were so old and feeble that they had difficulty hobbling at the pace set by their leaders. The group arrived at the embassy after it had closed for the afternoon.

They left a message addressed to President Eisenhower which read:

"The current American withdrawal will invite another Communist attack and eventually lead to a Communist invasion of the U.S."

Support Eisenhower, Dulles Foreign Policy, Smith Urges

WASHINGTON (AP) — Retiring Undersecretary of State Walter Bedell Smith has appealed to the American people to support President Eisenhower and Secretary of State John Foster Dulles in their foreign policy efforts.

Smith voiced the appeal in a statement issued Friday, on the eve of his retirement. He is leaving government service after 37 years to become vice president of American Machine Foundry. He will be succeeded by Herbert Hoover Jr.

Sesser Man Named State Mine Inspector

SPRINGFIELD, Ill. (AP) — B. H. Schull, director of the Department of Mines and Minerals, today announced the appointment of George G. Guiney, 37, of Sesser as a state mine inspector.

Schull said he will assign Guiney as an accident prevention instructor at classes now being given at southern and central Illinois coal mines.

Guiney is a veteran coal miner with 41 years of experience. He has worked as a miner, superintendent of mines, assistant mine manager and mine manager.

Police Report Two Accidents

A car driven by Billy Broyles struck a truck operated by Donald O'Neal at College and McKinley yesterday afternoon. City Police reported. They said Broyles, going south on McKinley, went thru the stop sign to hit the truck on College. The truck was scratched, the auto damaged considerably.

City police also reported that an auto driven by Gene Small hit the rear of a car driven by Jeanne Reed at the school light on West Poplar street yesterday afternoon. Damage was slight.

Byrd Named Advisor For Antarctic Trip

BOSTON (AP) — Rear Adm. Richard Evelyn Byrd disclosed today that he had been named "technical advisor" to the new United States Antarctic expedition, which sails from this port "about Dec. 1."

OUR MEN IN SERVICE

Cpl. James N. Richey, son of Mr. and Mrs. Robert W. Richey, RFD 2, Galatia, recently transferred from the 2nd Infantry Division to the 25th Infantry Division, which is leaving Korea for Schofield Barracks, Hawaii. Cpl. Richey, a squad leader, entered the Army in May 1953.

Three Arrested In Sensational French Spy Scandal

PARIS (AP) — A fugitive newspaperman who is a key figure in the sensational French spy scandal was arrested today.

Tunisian-born Andre Baranes, sought by police for 10 days as a principal witness in the case, was the third person arrested so far. The other two were assistants to the secretary-general of the French National Defense Council who was suspended today.

Baranes was headed for the Swiss border on a red bicycle when he was picked up at a small village.

The two defense council officials, arrested Friday, confessed they gave secret information to Baranes, described as a Communist newspaperman who worked both as a police spy and Red informant.

Mrs. Willie Russell, Former Resident of Near Carrier Mills, Dies

Mrs. Minnie Russell, 83, wife of Willie Russell, former residents of the community west of Carrier Mills, died Friday at 10:45 a. m. in her late home in DeSoto, Mo.

She was the mother of Ed and Henry Lawrence of near Stonefort and of Rev. Joe Russell of DeSoto, Mo.

Funeral and burial will be in DeSoto.

VA, FHA Demand New Warranty By Home Builders

WASHINGTON (AP) — The Federal Housing Administration and the Veterans' Administration have put into effect a new requirement that builders certify they have stuck substantially to the original plans and specifications in building a home.

Until such a warranty is given, the agencies will not put their insurance or guarantee behind the mortgage on a new house.

The warranty is required by the new housing law, as a safeguard for home buyers against promoters who might fail to make good on the plans and specifications originally approved by the FHA or VA.

FHA said many builders already give a warranty to the home buyer.

The new regulation applies to all FHA and VA commitments to back mortgages on one to four-family houses.

Indians Blame Yankees for Series Weakness

Cleveland — The disappointed Cleveland Indians agreed today that the "dreaded" New York Yankees "are far more responsible" for their present World Series predicament than are the cocky, high-riding New York Giants.

"Beating those Yankees and setting that American League record of 111 victories in a single season must have taken much more out of us than we realized," said pitcher Early Wynn.

"The Giants have a good ball club and they're plenty good but you'll see in baseball battles you'll see the Yankees."

Vic Wertz, the lone Cleveland standout in three straight Indian setbacks so far, was of the same opinion as Wynn.

"Wynn has an excellent point there," Wertz said. "Of course, some people might look upon it as an alibi but none of them would if they ever faced the Yankees."

"I remember a few years ago when I was with Detroit, the whole ball club would sort of point for the Yankees. You know, the way some small football teams do for the big-name schools. I'll tell you this much. Beating the Yankees is one of the biggest thrills you can get in baseball."

It could be that the Indians gave their all in the pennant grind just ended and that the World Series is something of an anti-climax despite the prestige and added riches connected with winning it. The Giants of 1951, who won the National pennant on Bobby Thompson's memorable playoff homer, later admitted that the ensuing World Series won by the Yankees was strictly anti-climatic.

There seems to be no question that the vast majority of Indian players, if not all of them, consider the Yankees a stronger club than the Giants.

Nash, Merchants To Clash Sunday At the Town Park

The two Harrisburg baseball clubs, Nash and Merchants, will meet Sunday afternoon in a game at the town park diamond. Donations received from this game will be used to purchase equipment for the 1955 season.

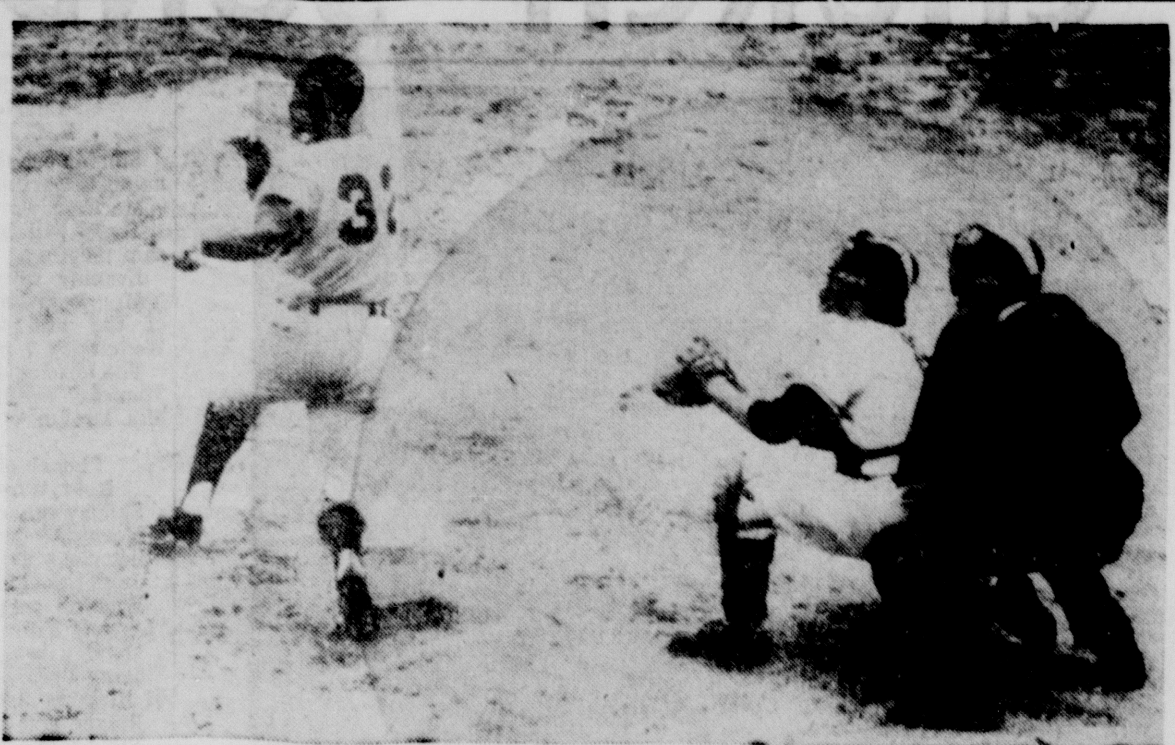

The Nash Ramblers, managed by Gene Stash, and the Merchants, managed by Jim Hay, have won and lost records which are nearly equal. The Nash nine supports a 15-11 mark while the Merchants have a 16-11 record. Both teams are made up of younger boys and each outfit is looking forward to a good season in 1955.

The Merchants opened the season with only two boys from last year's team, which had a 22-14 record, playing regularly. A younger team was built around Harold Guley and Frank Logsdon and boys like Billy McNew, Freddie Williams, Dick Romonosky and Jim Parton replaced last year's infield of Don Stout, Dick Odle, Bob Martin and Merle Daily. Don Price and Kenny Spurluck came out of the Kewanee league and have played important roles as utility men.

The Nash Ramblers, after a slow start, came along in mid-season to build up a respectable record. The Ramblers have met and defeated some of the better teams in this area and in Kentucky. An infield composed of Jack Nolen, Bill Fulkerson, Don Karnes and Ron Ziegler, form a combination that at one time built up an eight-game winning streak. Probably the fleet footed Nash centerfielder, Ken Nolen, is one of the better outfielders in Harrisburg this season.

Bill McNew will start for the Merchants tomorrow afternoon with "Kiki" Parker as his opponent. The Merchants' southpaw, "Buz" Kennedy, will be ready to relieve.

Game time will be at 2 p. m. with the home team to be determined by a flip of a coin.

GIANTS WIN 3-1 IN SERIES—Al Smith, Cleveland's leadoff batter, swings on Johnny Antonelli's first offering for a home run to open the second game of the World Series at the Polo Grounds, New York. Plate umpire is Charles Berry of the American League. Giants took the second game 3 to 1.

Durocher Names Liddle to Hurl Today in Shoot-the- Works-Bid to End Series

By LEO H. PETERSEN
United Press Sports Editor

CLEVELAND (UPI)—Those incredible New York Giants, sensing a quick kill and their first World Series championship since 1933, will send southpaw Don Liddle against the injury-riddled Cleveland Indians today in a shoot-the-works bid to make it a spectacular four-game sweep.

Down three games and with their backs pinned against the wall, the staggering Indians will counter with their 23-game ace Bob Lemon, who lost the series opener, 5-2, in 19 innings and will be working with only two days of rest.

Ordinarily, Liddle, a 5-foot 7 left-hander, obtained in the Bobby Thomson-Johnny Antonelli deal with Milwaukee Braves last winter, might have been by-passed as a starter in the series, and ordinarily, too, Lemon would not be called upon to hurl again with less than a three-day interval.

Not Ordinary Condition

But these are not ordinary circumstances for either the Giants, who entered the series 17-10 under Durocher, or the Indians, who must win today or suffer the ignominy of becoming the first American league pennant winner to be bowled over in four straight games since 1914 when the miracle Boston Braves eliminated the favored Philadelphia Athletics in a favored sweep.

Since that time, the Giants also defeated the New York Yankees, four games to nothing in the 1922 fall classic but the second game of that series resulted in a 3-3 tie and so, technically, could not be considered an uninterrupted four-game sweep.

The high-riding Giants, who captured their last World Series title by beating the Washington Senators in five games, virtually played the Indians off their pins in defeating them, 6-2, Friday.

Indians Looked Pathetic

Except for Vic Wertz, who continued to shine in a losing cause by blasting winning pitcher Ruben Gomez for a 380-foot home run in the seventh inning, the Indians appeared so pathetic in general that many of the 71,555 fans present mocked them for their obvious futility.

Mike Garcia, the Cleveland starter, got off on the wrong foot when the Giants put together singles by Whitey Lockman and Willie Mays plus a throwing error by George Strickland for their first run in the opening frame.

Then when the Giants filled the bases with one out in the second, Manager Leo Durocher yanked Monte Irvin and sent up the series hero, Jim (Dusty) Rhodes in his customary pinch-hitting role.

Picking on the first pitch as usual, Rhodes drilled a ringing single to right to score two runs. The last run turned out to be the decisive one although an error by Garcia aided in the Giants' third run of the frame and they went on to score single runs in the fifth and sixth at the expense of relievers Art Houtteman and Ray Narleski.

Gomez pitched brilliantly during the 7-13 innings he was on the scene, limiting the Tribe to four hits. When a double by pinch-hitter Billy Glynn and an error by shortstop Alvin Dark helped the Indians to their second run, Gomez followed with a walk to Bobby Avila and then decided he had better turn over the mound chores to knuckleballer Hoyt Wilhelm.

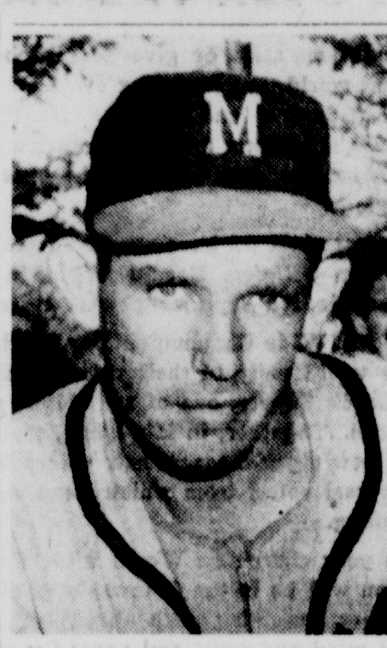

"I told Leo to take me out," Gomez revealed after the game, "because I've had a bad cold the past two weeks and it was getting hard for me to breathe out there."

Wilhelm took over and struck out Wertz to kill off the final Tribe threat.

The Indians were noticeably weakened by the loss of third baseman Al Rosen, who sat out the contest with a painful leg injury that forced him to hobble through the first two games. Hank Hajesi played in place of the ailing Rosen today and went hitless and after the game, Cleveland Manager Al Lopez announced that Manager Al Lopez would be back in the lineup for today's contest.

In Trouble Without Him

"There's no sense kidding ourselves," Lopez said. "Rosen is our cleanup man and without him we're in trouble."

DON LIDDLE, 5-7 southpaw of the New York Giants, will hurl today seeking a four-game sweep of the World Series against the Cleveland Indians. He will be opposed by Indians' ace hurler, Bob Lemon, who lost the first game of the series.

go for the Giants, Wally Westlake will be in right field instead of Dave Philley.

While no team in the history of the World Series has come back to win after losing the first three games, Lopez refused to say die. "We've had to win four games in a row before this season and we did it," Lopez said. "So there's no reason why we can't do it now."

Durocher would make no predictions about a four-game sweep but many of his players expressed a desire to "get it over with as quickly as we can."

Centralia Scores Impressive 46-0 Victory Over Herrin; Rock Island Held to Tie

SPRINGFIELD — An Iowa team has snapped mighty Rock Island's string of 23 straight prep football victories.

The Rocks crossed the Mississippi Friday night to tackle Clinton and were surprised by a 20-20 tie.

It was the first time Coach Shorty Almquist's eleven has been stopped since Oct. 19, 1951.

That 1951 loss was an Iowa team, too—a 7-0 decision to Davenport.

Clinton wasn't regarded as one of Iowa's prep powers, and the Islanders entered the upset game a heavy favorite—even though Clinton had downed two of three previous foes, including Rockford West.

Centralia, Murphysboro, Chenoa, Pekin, East St. Louis, Urbana, La Salle-Peru, and Decatur turned in wins in other gridiron activity.

One of the most impressive triumphs of the season was registered by Centralia, which blasted Herrin 46-0. The game had been heralded as a key to the South Seven conference title race.

Murphysboro wins
East St. Louis, which had been matching Rock Island's winning streak game for game, found itself out in front alone today after a 33-0 victory over Chicago Heights Bloom. It was the Flyers' 24th in a row.

Murphysboro romped to its third straight, 18-0 over Du Quoin. Benton tripped up Marion 27-6, and Albion bowled over Mount Vernon 12-7 in other Southern Illinois meetings.

Urbana and Decatur captured important decisions in the Big 12. Urbana's undefeated Tigers downed Danville 18-12, while Decatur took its second conference win by a 21-6 margin over Mattoon.

Pekin's Chinks outlasted Canton 14-13 and Champaign whipped Bishop of Hammond, Ind., 19-6. In other games involving Big 12 teams.

Peoria Woodruff, a jinx for Peoria Central in recent years, battled Central to a 6-6 tie. It was the first time Central has been stopped this season, and the first time it has allowed a score.

Fast-Moving Eagle Backs, Clever Ball Handling Too Much for Local Team

A very clever quarterback and a couple of fast-moving backbacks were too much for the Bull Dogs and Eldorado beat Harrisburg, 19 to 13, before a throng that jammed Taylor Field last night to see the annual football classic between the two schools.

Ronnie Clark, junior quarterback, had his deception down to the finer points last night as he passed off to his running backs so cleverly that most of the time they were off and running before the local defenders knew just who had the ball. Acie Gwaltney and Charles Sutton were the backs who did most of the damage.

To prove the above, Eldorado made 12 first downs to eight for Harrisburg and accumulated a net 246 yards rushing to 119 for the Bull Dogs. Eldorado tried but one pass all night and Harrisburg connected with three out of seven for 20 yards to boost the local yards gained from scrimmage to 139.

Half Ends 13-0

Harrisburg did not gain a yard the first quarter, in which Eldorado scored, its first two touchdowns, not even getting its hands on the ball from scrimmage until the period was nearly over. In the second frame Harrisburg put on a nice drive to the E-5 which was ended by a fumble and the half ended with Eldorado leading 13 to 0.

Eldorado started its first touch-down drive after the opening kickoff to the E-19. A 44-yard run by Gwaltney took the ball to the H-24. Again Eldorado moved easily and Sutton again scored, running the last seven yards. The try for the extra point failed.

Beal Runs Kickoff for TD

Harrisburg in the next quarter started a drive from the H-47, and with a number of short power gains plus an 18-yard smash by Tony Beal moved to the Eldorado five, but a fumble put the ball back on the 12 and Eldorado took over there.

Harrisburg fans got excited as the third quarter opened because Beal took the kickoff on his 22 and ran 78 yards to score and to make the count 13 to 6. A kick for extra point was no good.

But Eldorado came back on the ensuing kickoff and started a drive on the E-38, ending up with a touchdown by Gwaltney from the four as Gwaltney and Sutton again went down the field with surprising ease.

And the excitement continued as Harrisburg took the kickoff that followed and on 12 plays powered their way to another touchdown with Gary Trammel going over from the one. Charles Polk passed to John Wilson in the end zone and the score was 19 to 13.

In the fourth quarter Harrisburg started catching on to the Eldorado-

do deception and held the Eagles. Then they started a drive for a touchdown that looked like it might be successful, after recovering an Eldorado fumble, following a punt, on the E-37. Beal and Trammel smashed to the 25 and Polk passed to Trammel on the 19. Then Beal took the ball and was driving through nicely but was hit around the 12 and fumbled on the 12 and running to the 18 before being stopped. That ended the threat as the game was nearing a close.

Eldorado remained undefeated for the year by winning the contest.

Few Penalties

The game was unusually clean, both from the standpoint of there being no rubeisms and from the way the contest was played. Penalties were very few, Harrisburg being penalized a total of 10 yards and Eldorado but five, all for offside infractions.

Harrisburg Coach Lawrence Calcutti started Wilson and Seright at ends, Price and Kinnaman at tackles, Durham and Dale at guards, Ron Williams at center, Polk at quarterback, Trammel and Wright at halfbacks and Beal at fullback. Other boys seeing action were Jim Williams at end, Everett Evans at tackle, Fred McKenzie at halfback, Jay Waite at guard, Ronnie Reynolds at tackle.

Al Adams, Eldorado mentor, started Stoke and Lyons at ends, Putnam and Wayne Laffoon at tackles, Roberts and Lovellette at guards, Bob Laffoon and Dale at tackles, Bob Vogel, fullback and lineman, and Keith Whittier, defensive back, saw lots of action.

Officials were Ernie Driggers of Mt. Vernon, Ted Search of Chester, and Louis Vecchi and Charles Strux of Carbondale.

Next game for the Bull Dogs will be a South Vernon conference contest at Mt. Vernon next Friday night. Eldorado will travel to Benton.

The band of ITHS last night again was sparking at halftime, first making an E for Eldorado and then playing the U. S. Field Artillery March. Then it fielded a Mexican hat and played "Flaming Latin" as two girls in South of the Border" as two girls in flaming Latin attire performed. Next came the forming of a drum as the band played "Jungle Drum." The ceremony ended with the traditional H and the playing of the Harrisburg Loyalty song.

ALL OVER THE WORLD

Glance at an atlas or give your globe a spin. It's a vast world, encompassing continents, oceans, mountains, deserts and valleys. Its inhabitants number in the billions, and they in turn are divided into many nations, each with varied tongues, creeds, and religions.

But here at last we have struck upon a common denominator—religion. For all peoples in all times have recognized a superior power—their creator.

On World Wide Communion Day, Christians all over the world unite in their churches to partake of the Lord's Supper, one of the holiest rituals of the Church. Together, in His house, their prayers attain a new significance. Their voices blend into one universal voice, from which stems new power and meaning.

Go to your church on World Wide Communion Day. You will be in the fellowship of millions of worshippers, receiving with them new hope for peace of mind and soul—and peace for the world.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

'Job's Struggle To Understand Life'

Job 1:1; 19:7-10; 23:3-10
GOLDEN TEXT: "Ye shall seek me, and find me, when ye shall search for me with all your hearts." (Jeremiah 29:13)

INTRODUCTION: How much do you know about the Old Testament? Many people know little about its wonderful truths. For the next three months we shall look into four of the Books of the Old Testament. They are: Job, Psalms, Proverbs and Ecclesiastes.

Job is a most interesting character. If you think you have troubles, read the Book of Job and rejoice. If you think you have patience, read the Book of Job and learn the true meaning of patience.

I JOB WAS A GOOD MAN (1:1)
Have you ever been tempted to say: "I just don't understand why I have so many problems and burdens. I try to live right and do right and still things seem always to go wrong." Perhaps you have compared yourself to another person who never goes to church, who never seems to try to live right; and yet, he never seems to have troubles and burdens.

If you have had such thoughts you have gone through some of the same things which troubled Job. Let it be stated here, however, that the Christian must bear all his troubles and burdens in this life, because he will have only joy and happiness, with no burdens nor troubles, throughout all of eternity. On the other hand, that person who is not a Christian may enjoy this life with few burdens and trials. But, oh! what of eternity. He will suffer the torments and pangs of hell for ever and ever.

Job was a good man. God had entrusted him with many wonderful blessings. He had a large family, much land and lots of cattle. He was blessed with wealth. Many people so blessed today have no time for God. They are too busy. Not so with Job. He was an upright God-fearing man. This made him an object for Satan's arrows.

Additional Church Notes On Page 3

With God's permission, Satan took Job's wealth, his family, his land and all he possessed. One thing Satan could not take, however, was Job's faith in God!

II JOB WAS TROUBLED (19:7-10)
Who would not have been troubled. Many people have given up in despair and committed suicide for less cause. We find him sitting on an ash heap with his body covered in sores. His friends have turned against him, and even his wife comes to him and says: "Why don't you curse God and die?"
You know what Job replied? He said: "Though He slay me, yet will I trust him." What faith! What wonderful trust! Compare your faith in God with Job's.

Life treats all badly at some time or another. We are all tempted to become despondent. It would be well for us at such times to remember Job.

III JOB WAS ANXIOUS TO BE RIGHT WITH GOD (23:3-8)
When things look the darkest we should trust God all the more. Job wanted to be sure that he was in right relation to God. (v. 4). He wanted the assurance that God would hear and answer him. (v. 5). Here is a lesson that we all need. When the clouds hang low, and we are most despondent, God is near. God can make everything turn for the best. He loves us and is not indifferent to our needs. Sometimes He does test our faith (just as He tested Job's) but when we have passed the faith test, rich blessings await us.

CONCLUSION: (23:7-10)
Job could not see the road ahead. Tragedy had struck on every hand. In that moment Job cried, "He knoweth the road that I take." (v. 10). What a wonderful blessing to have faith in God! In the hour of sickness, sorrow, trial and heartache; just to be able to lean on His everlasting arms! My! what a privilege.
Friend, this joy can be yours through the grace of God by your faith in His Son, Jesus Christ as your personal Savior.
